Dear Senior Care Provider / Family Member;

Thank you for your interests in our unique and innovative mobile dental service that caters to homebound and senior living communities. “Senior Smile” with Dr. Namita T. Chaudhary provides modern day dentistry at the doorsteps of your community in order to provide a more convenient method of oral healthcare. Dr. Chaudhary uses state-of-the-art portable dental equipment that allows her to provide on-site comprehensive dental care just like you would get in a normal office setting. Not only does she enjoy working within the geriatric population, but she also has over 8 years of mobile dental experience and working with the elderly.

This letter is to briefly introduce our procedures so that you may get a better understanding of how we operate.

In terms of scheduling, we ask that the resident, the responsible party (family member), or a representative of your facility, provide us with the following three (3) pieces of information:

1. **The Senior Smile Consent for Dental Treatment** – Completed and Signed. (A blank copy is provided). Or you may call our office directly and they will complete this with you over the phone.

2. **Face Sheet** – Must be provided by facility.

3. **Medical History Information/Physician Order Form** – Must be provided by facility or responsible party.

These completed documents then can be sent to the office of Dr. Namita T. Chaudhary, via mail or fax in order to be seen. Our fax number is 301.231.0866. It is ideal to set up a relationship/point of contact with someone at your facility so that our staff and that person can try to set up more than one patient at a time to maximize our visit and coordinate the visits smoothly.

In terms of billing and treatment communication, “Senior Smile” works directly with the responsible parties. We are a Fee for Service practice and accept credit cards for your convenience. Both Medicare and Medicaid do not cover dental care.

For us and I’m sure for you as well, in the end, it is all about the residents/family members. We strongly feel the need to provide such a service to the elderly and strive ourselves in excellent service. Should you have any questions, please feel free to call our offices at 301.231.9100.

Sincerely,

Naveen Chaudhary

Senior Smile, V.P. of Operations
