NAMITA T. CHAUDHARY, D.D.S.

****ATTENTION: NEW CONTACT INFORMATION****

Dear Patient, Family Member(s) and/or Senior Care Provider(s),

Thank you for your interest in our unique and innovative mobile dental service that caters to senior living communities as well as homebound individuals. “Senior Smile” with Dr. Namita T. Chaudhary (Dr. C) provides modern day dentistry at the doorsteps of your community/home, in order to provide a more convenient method of oral healthcare. Dr. C uses state-of-the-art portable dental equipment (including portable x-ray machine) that allows her to provide **on-site comprehensive dental care** just like you would get in a normal office setting. Not only does she enjoy working within the geriatric population, but she has almost 20 years of mobile dental experience and working with the elderly. Our **NEW ADDRESS** is **23219 Stringtown Road, #324, Clarksburg, MD 20871.**

This letter is to briefly introduce our procedures so that you may get a better understanding of how we operate. In terms of scheduling, we ask that the patient/resident, the responsible party (family member/guardian), or a representative of your facility (senior care provider) to provide us with the following three (3) pieces of information:

1. **The Senior Smile Consent Form** – Completed and Signed for dental treatment to take place. It can be found on our website at www.srsmile.com or email, reception@srsmile.com. You may also call our **NEW OFFICE NUMBER** directly, **301-875-7477**, and request us to directly fax or email the consent form to you.
2. **Face Sheet** – Must be provided by facility, if patient resides outside of their home.
3. **Medical History Information/Physician Order Form (POS)** – Must be provided by facility. If a homebound patient, then the Senior Smile Medical History Form will need to be filled out and returned along with the Senior Smile Consent Form.

These completed documents can be sent to the office of Dr. C, via mail or fax. Our **NEW FAX NUMBER** is **301-637-3222**. Once documents are received, we contact our point of contact (POC) at the facility or at their residence, so that our staff can set up a day and time for us to come visit. We would like to maximize our visit with residents at each home and coordinate, so the visits will go smoothly.

In terms of billing and treatment communication, “Senior Smile” works directly with the responsible parties. **We are Fee for Service, so we collect payment on the day of service (via credit card or cash/check).** If the patient has insurance, we will gladly assist you in getting reimbursed from insurance, by providing you the claim form for that day’s visit. *Both Medicare and Medicaid DO NOT cover dental care.*

We strongly feel the need to provide such a service to the elderly and strive ourselves in excellent service in regards to dental health. Again, should you have any questions, please feel free to call our **NEW OFFICE NUMBER** at **301-875-7477**. Thank you.

Sincerely,

Dr. C and the SENIOR SMILE staff
